### Benefits

- LAPÉ's Sakura Sea Breeze Conditioning Shampoo & Body Wash, with its all-encompassing rich formulation, allows your guests to transform everyday moments into a peaceful luxurious multi-sensory experience - from top to toes.
- This exceptional product enhances the guest room environment with its gently refreshing fragrance. This mild formulation itself glides smoothly around the body, hydrating the skin as it washes with its moisturising complex and glycerine content. At the same time, the hair care ingredients ensure that the hair feels really soft and supple after use of the product, while the conditioner ensures tangle free hair.
- Customers will feel pampered by the luxury look, scent and feel of the LAPÉ Collection and will make a pleasant association between their guest experience and your establishment.
- Using one of the most sustainable solutions for the hospitality industry, by applying Nordic Swan certified, animal fats free, 100% micro plastics free formulation and 100% post-consumer recycled plastic bottles.
- Increase the sustainability profile through the use of the refill option besides keeps the overall costs low, reduce plastics wastes.
- Lockable wall brackets ensure the LAPÉ Collection remains where you install it; keeping your washroom tidy and ensuring your customers find the product when they need it.
- By offering a hand wash and hand & body lotion in the same Sakura Sea Breeze scent you can create a complete washroom & shower offer that you can create a distinctive touch across your site that makes your customers feel indulged.
- Delight guests while helping other via the social responsible initiative - Soap For Hope
